

The diagram shows a business card layout with three concentric rectangular borders. The outermost border is red and represents the 'TRIM' line. The middle border is blue and represents the 'SAFE ZONE'. The innermost border is dark grey and represents the 'BLEED' line. The text 'TRIM', 'SAFE ZONE', and 'BLEED' are placed to the left of their respective lines, with horizontal lines connecting them to the borders. The text '90x50 mm.' and 'Final size of the business card.' are placed below the 'TRIM' label. The text '3-2 mm from edge of product.' and 'Do not place important objects beyond safe zone.' are placed below the 'SAFE ZONE' label. The text '+3 mm to final trim size, file size with bleed 96x56 mm.' and 'Extend the background objects or colors beyond trim line 3 mm.' are placed below the 'BLEED' label.

TRIM

90x50 mm.

Final size of the business card.

SAFE ZONE

3-2 mm from edge of product.

Do not place important objects beyond safe zone.

BLEED

+3 mm to final trim size, file size with bleed 96x56 mm.

Extend the background objects or colors beyond trim line 3 mm.
